Photonics and Microsystems

INVITATION

Dear Ladies and Gentlemen,

On behalf of the Organizing Committee of the 37th European Conference on Solid-State Transducers Eurosensors 2025 we invite you to participate in the one of the most important event in the of sensors, actuators, microsystems and nanosystems field. Conference will be held in Wroclaw, Poland, September, 7-10th .

Event provides an excellent opportunity to bring together scientists and engineers from academia, research centers, national research institutes and companies, to present and discuss the latest results in these fields. It attracts hundreds of participants every year, mainly from Europe but also from other countries (Australia, Japan, China, India, Israel and USA). In 2025 we anticipate around 500 attendees from all over the world.

We cordially invite all Sponsors and Partners to support and contribute to the success of the conference.

Prof. Rafał Walczak

Wrocław University of Science &
Technology, Poland
Conference Chair

**Wrocław University of Science
& Technology (Politechnika Wrośławska)**

Address:

Wybrzeże Stanisława Wyspiańskiego 27,
50-370 Wrocław

Situated in the city center, with easy access to various parts of Wrocław. The main campus is on Wybrzeże Wyspiańskiego Street, along the Odra River, providing a scenic and convenient location; easily accessible by public transport, including trams and buses. The campus is just a short distance from the main railway station, which serves both national and international routes. The university boasts state-of-the-art facilities, including advanced laboratories, research centers, and workshops, especially in engineering and technological fields.
